You will find your music in the shared google drive folder (on Friday) along with this letter. Please be sure to **PRACTICE** your music ahead of time so our guest conductor will be able to spend more time working on putting the music together instead of teaching parts. This will make the whole experience better for everyone involved.

Please enter Northrop High School at Door 2a (band room door) starting at 8:30 AM and we will get everyone checked in for the day. We are very much looking forward to having you be a part of this great experience!!
